

2018/2019 Request for Financial Aid LHS Theatre Booster Club

The LHS Theatre Booster Club has developed a need-based request process for all students seeking financial assistance. We will do everything possible to assist students so that money doesn't keep anyone from participating in the theatre program. Each consideration is assessed case-by-case and as funds become available. In order for us to do the most good and offer the highest level of support, 100% assistance *will not* be granted to any student.
